

Kew Green Hotels Guest Safety Guide

As a valued customer of Kew Green Hotels, we are working hard to ensure that our hotels are doing all that they can to provide guests and employees a safe, welcoming and clean environment. Please [click here](#) for our comprehensive guest safety guide and here is an overview of some of the measures in place at each of our hotels:

Hand Sanitising Stations

We have a number of hand sanitising stations throughout the hotels and have implemented regular cleaning on all high touch point areas, including door handles.

Meeting Room Layouts

Our layouts will adhere to government guidelines on social distancing with tables and chairs being spaced accordingly.

Introducing Hybrid Meetings

As Virtual Events have become the norm during the Covid-19 pandemic we have partnered with the industry experts Sound Commercial to offer you a live streaming service packages for your next conference and event. Contact us for more information.
